You don't need an office, but what about a boardroom? We rent out our airconditioned space for presentations, team building, meetings, strat sessions, or (allllmost) whatever else you can think up. Our 75 inch TVs support Google Cast, Apple Airplay, and old school HDMI cables. They seat about 10 peeps in meeting format, and 8 in workshop mode. But we have seating for up to 14 if you need it. Rent the boardroom and you get free access to the canteen and "Meet or Eat" booths. Keen? Come on in.
